Message from the President:

Greetings, as we are all becoming busier moving toward the conclusion of a very successful year, please don't forget how important you are to your athletes. For all of you that have completed your seasons, congratulations. For those of you in the middle of your season I hope you feel a sense of pride and accomplishment.

When you are making plans for next year, don't forget the WCA Summer Clinic, July 26-28. The Board of Directors has been working diligently to put together a wonderful clinic. Please plan on attending and enjoy the fellowship with your colleagues and friends. Our goal this year is to have 450 coaches attend this year's clinic. Make your reservations soon at the Parkway Plaza.

Always in Athletics,
Mark Campbell, Casper
WCA President
